

Economic Development Committee Update September 2022

1. **CROSSWALK AND SIGNAL BOX ART:** To recap: At the June meeting, it was decided that due to DelDOT's concern about some of our designs, it was decided to change the box utilizing all the Apple Scrapple logos and have a general design depicting the local farm community. At our July meeting it was agreed that the designs received from Focus to address this were not sufficient to address the committee's concerns, therefore we requested Bethany get in touch with the company the town utilized for the new logo. She contacted them and is awaiting their input.

2. **FARM TO TABLE EVENT:** Mike Szczechura talked to Woodbridge and it was agreed that the event was taking more effort than originally planned for so a new date will be determined for next year.

3. **EDC MEMBERS:** With the addition of Suzanne Farris and Ralph Root, we now have a quorum of minimum members so at our September meeting we will be regrouping to re-energize the committee.
